

All State Presidents Program 2020-2021
July 2020

Hello District and Auxiliary Presidents,

My name is Linda Wall and I have been chosen by Department President, Anna Mauk, to be her All State Presidents Program Chairman for this year. I am honored to accept this chairmanship.

This is information about the report.

1. Keep a log of your activities.
2. Keep it simple and easy.
3. Pictures, details, and other items can be included. Make it fun!
4. Keep in compliance with the National bylaws.
5. The reports are the guidelines for what you and your Auxiliary have accomplished.
6. Awards will be given at the 2020-2021 State Convention.

I only need one report that will be due between April 1 and May 1, 2021. Please use the report form for your Office, Auxiliary, or District President. Forms will be in future mailings.

If you need any help or have any questions please contact me.

Let's all work together to make this a great year for President Anna!

Thank you,
Linda Wall
