

2020-2021 Youth Activities.....Hello everyone!

My name is Barb Barger and I am serving Department President Anna Mauk as her Youth Activities Chairperson this year.

Thanks Ms. Anna!

We are embarking on an all-around journey exploration into the world of fine arts with the Youth in our communities! The National Ambassador has laid a map on the National VFW Auxiliary website for our journey. We will find out more information in next General Orders and at School of Instruction in August too. Please be sure to pick up an information folder with lots of information at School of Instruction about this great journey.

If you feel a little lost during the journey or need more information on any of these great stops along the way, please visit the VFWAUX.org website resource page and also the INAUX.org webpage during this year to find additional tips and warmups to the big contests along with the report forms. And please don't hesitate to use the "phone a buddy" helpline 812-498-2686 anytime you have questions. I will be glad to help you all navigate.

Without GPS and tracking devices, I will need you to report how your Auxiliary is proceeding during our journey at least two times during this year. So to do that you will need to report back to headquarters at 932 N. Elm St., Seymour IN 47274 or to my email bargervfw@gmail.com, one report as we start in the Fall and one report in the Spring as we speed to the end of our journey. Please use and keep a travel record log of your adventures. I will have a travel log form on the VFWINAUX.org website and part of General Orders to help you get started. Please note: If you send reports via email, please be sure to send the email and attachments to **your** email as well as mine to be sure your reports and photos you are sending me can be read and seen. If you can't email, please send your reports to me in the regular mail so they reach me by the due dates.

I am looking forward to a great fun year in getting our youth in our communities more engaged to show their patriotism and Americanism....let's venture in this program this year in helping them find their way around the fine arts to do just that. Bon Vonage till next time!
