Remember to report everything you do. Not just what is asked on the report form.

## **Buddy Poppy**

There will be poppy contest at both Fall and Spring Conference

I am asking that you have two poppy drives this year. One your normal Drive that you collect money and hand out poppies and one that you do a Super Donor Board. You can do one in the fall and the other in the spring. If you work with your Post that is even better. At fall conference you will be asked to have a board that you display in your post explaining buddy poppy and national home. This will be a contest.

## **National Home**

There will be a money collect drive this year. The difference is I want the Districts and Auxiliaries to compete against each other and Bring a check to Both Fall and Spring Conference with the funds you have collected. Check are to be made payable to Dept of Indiana Aux. and mark for Indiana Home. We will have a raffle at School of Instruction and both Fall and Spring conference and State Convention. Please bring items for the raffle.

School of Instruction will be even Auxiliaries in Districts 1-5

Fall Conference will be odd Auxiliaries in Districts 6-11

Spring Conference will be odd auxiliaries in Districts 1-5

State Convention will be even Auxiliaries in Districts 6-11.

**Hope to see you all at School of Instruction. I am looking forward to us all having a great year! Lets all work together for our Veterans!**
