

AMERICANISM

November, 2020

By now the Fall Convention has happened and you are back to planning your next meeting be it Post or District. The pandemic is still with us, but can not shut us down. Our Defenders of Freedom, our veterans and current soldiers can not stop for a disease. We have to find ways to stay active in supporting our warriors even if it means unusual and unique ways.

Give flags of different sizes to schools, donate flag stamps to nursing home veterans, supply sanitizers to Salvation Army, collect coats/gloves for homeless, plan box meals for Veterans' Day and deliver if necessary. Are you seeing how we can still be the active group we were meant to be? Call each other or zoom or Google Meet, or find other ways to "meet".

For the fifty some auxiliaries who chose not to submit the Americanism form before the fall conference, please plan now to keep a record of patriotic donations, gifts, actions, and the like. Be sure to submit the next form by April 1, 2021. I look forward to seeing what your auxiliary will have done to continue our number one and primary goal – to support our Post and our nation's veterans.

Hope to hear from you. Any suggestions for competition at Spring Conference?
