Hello Auxiliary Members,

As most of you know there were quite a few updates to the Auxiliary Podium Bylaws Book. These were changes that went for a vote on the National Floor at the Kansas City Convention. Every Auxiliary should purchase the new Podium Edition when it comes out normally in October.

By now everyone should have their bond paid for and all of your audits should be in. Here in the next few months the District Presidents will start their visits to your auxiliary please make sure you are ready for them and have all the information needed for the District Presidents need to check.

Has your auxiliary assigned a mentor? If so please have them go to the resources on the National Website go the Relationship Building for the Future materials.

Here is some more meeting challenges & Solutions: Our meetings are too long, solution; make sure you have a prepared order of Business/Agenda for your meeting, start your meeting on time and end on time. Auxiliary Officers and Chairman should know their roles and duties beforehand and what they are going to discuss for their program for the meeting. Being prepared always make things go smoother and faster.

Here is some more terminology: Booklet of Instructions, are the yellow pages within the Podium Edition Bylaws and Ritual
Bylaws: is the auxiliary's rules and procedures for their auxiliary.

Thank all of you for what you do for our Veterans
