

General Orders January 2020  
President's Special Project - Quilts Of Valor

Hello, Everyone!

I hope everyone's Holidays were filled lots of happiness and great family time. Now's the time to start planning fund raisers or gathering items to raffle off for QOV. I'm so thankful to all of those who have sent in money or presented checks at Fall Conference. Let's see how much more money can be raised for the second half of Jennifer's term. It is for a really wonderful program and a fantastic way to honor our Veterans.

I still need 7 October reports. I have sent report forms to those Auxiliaries and hopefully I'll get them soon. It only takes a couple of minutes to fill out the report. Please take the time to do so.

I have made a new report form for the April 1st report. Please throw the first report form for 2019-2020 away. I will only take report form for April 1st using the new report form for April 1st. In the heading for the new report form it says for the April 1st report.

Anyone who is still interested and hasn't done so can still apply to become a "Presenter." There is still a great demand for new applicants. Everyone who has attended a Quilts Of Valor Presentation this year has commented on what a wonderful event it is. Please consider becoming one.

Respectfully,
