UNWAVERING SUPPORT FOR UNCOMMON HEROES®

Scholarship Program 2019 – 2020

Hello Brothers and Sisters,

October is upon us and the deadline for submitting entries for the VOD and Patriots Pen is rapidly approaching. All Entries must be turned in to the Post by October 31 at midnight for both contests.

If you have not contacted your local schools already, you need to do so immediately as time is running out. The entry forms and flyers are available on the Department website and can be accessed through Malta by clicking on “Resources” at the bottom of the page. This will link you to the National Website.

Please be sure to keep track of all Auxiliary volunteers that help with this as well as time spent, miles travelled, and money spent on this Program. That includes any awards given by your Auxiliary for the either Program.

The Scholarship Report Form is due to me by November 15, 2019 and should be included in this mailing of General Orders. It should also be available on the Department website.

Thank you all for your participation and hope to get reports from everyone next month.

Respectfully,

James E. McGlynn
