

Hello all!

I am your chairman for the Auxiliary Community Outreach Program. My name is Kikki Robinson, or as many of you know: Kikki Collins or Anna's granddaughter. I am wanting to remind my fellow Auxiliary members, please report all community activities that an Auxiliary member attended and helped with. Please attend events whether it be in-person, virtual, or sending in items with an Auxiliary card attached. We have to be creative in these COVID-19 times.

All-in-all, I want to wish you all Happy Holiday's and that I hope you all are staying safe out in the communities wearing your mask and sanitizing your work stations!
