

Hospital Guide Sheet
January 2021
Department of Indiana

Hello auxiliary members welcome to 2021. I hope everyone had a great holiday season and let's hope this New Year will bring better change than what 2020 had.

I have been watching Facebook and seeing your pictures of what you have still been doing for our hospital and nursing home veterans. Great Job.

Now is the time to maybe still having to think outside of the box for our National Salute to hospital Veterans that happens in February? Think of ways to make the Valentines for our veterans so they can enjoy the love from all of us for this holiday. Please remember I will be putting in the February general orders an entry form for what you did for this event.

Thank all of you for what you are doing for our veterans
