

**JANUARY 2021**  
**GUIDE SHEET #7**

**MEMBERSHIP 2020-2021**  
***“THE RACE IS ON”***

What a **AWESOME** job Auxiliary and Auxiliary Members have done so far for Membership!! As the Department Membership Chairman I am so Proud of all the efforts put into the Department of Indiana's Membership. With this year being a trying time due to the Pandemic.

Now is the time to send out **Dues Notices** again. (send me a copy)  
As we go into the New Year, we still have Members that are not in Good Standing. Yes, they have until June 30<sup>th</sup> 2021 to pay their Dues before they would have to be reinstated, but they may lose Auxiliary privileges until they are paid. Research shows that not receiving a dues notice is the main reason members do not renew.

Look at your list of unpaid Members and find out if anyone needs financial support to pay their dues. If so, your Auxiliary can pay them out of your Relief Fund, or a member could pay them under Adopt a Member initiative.

**Reminder on National Awards:**

\$20.00 to each Auxiliary that reaches 98% in Membership by March 31, 2021.  
\$50.00 to each Auxiliary that reaches 101% PLUS in Membership by June 30, 2021.

VFW AUXILIARY MEMBER PIN AWARD (form found on line or in Dept. Membership book).

Awards for recruiting 5, 10, and 20 members, between July 1, 2020 to May 31, 2021

**Reminder on Department Awards:**

2 Life Memberships will be drawn at Spring Conference. All Auxiliaries that are 100% or higher by March 11<sup>th</sup>, 2021 will be placed into a drawing for 2 Life Memberships for \$150.00 The Auxiliary winner of drawing will be chosen by that Auxiliary. (The winners name must be turned into Department Treasurer no later than May 15<sup>th</sup>, 2021).
