

January 2021 Guide Sheet  
PSP – War Dogs

Hi, Everyone!

Thank you to everyone who sent me a War Dogs October 1<sup>st</sup> Report. I am no longer accepting late October 1<sup>st</sup> reports. Anything else you want to report must go on your April 1<sup>st</sup> report.

For the April 1<sup>st</sup> Report Auxiliaries who mark the majority of “no” will not receive a Good Job Award for their reporting for the year. I do not consider mailing a report with all “no” answers worthy of a “Good Job” Award. You must have actively participated in multiple ways to help the War Dogs Organization in your report. Also please use the report form to report your information.

Please take the time to schedule John Meeks and Brutuzs to come to your Post to give his presentation. He is willing to go anywhere to share the War Dogs story. The history John shares on War Dogs is very informative. You can print a flier off the web site to help advertise the event. His phone number is 765-860-4172.

If the Comrades schedule the event please participate by having a dinner, raffles, 50/50, etc. Make it a joint event and work together with the Comrades. That way every Auxiliary who does schedule a presentation or helps the Comrades with their presentation gets a “Good Job” certificate.

Please continue to have fund raisers, raffles, dinners or other events to help raise money for this wonderful cause. Every penny raised is deeply appreciated by John and those who receive his care packages.

Remember to make your checks out to VFW AUX Dept. of IN.

Respectfully, Patrice Pruitt
