

March 2020 Historian/Media Relations

Welcome to March! Spring will be here soon, which brings in our Spring Conference. Historian/Media Relations reports are due **April 1, 2020**, please start filling them out and sending them in. Please remember that my report is based off of the one I send to National so please don't send them to me with nothing filled out or all no answers, surely you can answer some of them with a yes. Unfortunately, those type of reports doesn't give me much to report to National. Your Scrapbooks and publicity books are due by **April 30th, 2020**, so you may start thinking about getting them prepared to send to me also. Please refer to my Guide sheet sent out at the beginning of the year for all the rules for both. I am excited to see what our IN Auxiliaries have done for our veterans this year.

I know we have some outstanding Auxiliaries out there that have used the media for promoting your programs or events all year long or at least some. Get rewarded for your work by going to www.vfwauxiliary.org/resources and print and fill out the form for Historian/media relations report and send to me by **March 31, 2020**. You have the opportunity to receive a citation and a chance to be the 1 Auxiliary in the nation to win and receive \$50 from National. I would love to see an Indiana Auxiliary be the winner out of the entire nation.

Thank you to all who have been sharing photos with me. Jennifer's albums are going to be so full, which will be amazing for her to look back on and have memories documented of the fun year she had. Keep them coming please. **Spring Conference is March 13-15, 2020.**

Tracy McGlynn, Historian 2019-2020 tracylmcglynn@gmail.com/812-201-5537
