CONGRATULATIONS TO Auxiliary 6841 on their reinstatement January 19, 2020. May your Auxiliary have much success.

Keep sending me what you do for membership if you sent out letters, notes emails, phone calls or personal contacts I want to know how many people you contacted and if you got any membership.

Each Auxiliary should have a plan to work membership:

1. Contact current members.
2. Outreach to former members, they may want to join again but waiting to be asked.
3. Have recruiting events for new members.
4. Pick a mentor for your new members.
5. Make it as easy as possible for members to pay dues, introduce them to Malta.

GET YOUR ASK IN GEAR, INVITE, INCLUDE, INVEST AND MENTOR AN AUXILIARY MEMBER.

INDIANA as of now needs around 1089 dues it sounds like a lot, but we have already collected almost 24,000 we have recruited and rejoined 1166 members. We got to BELIEVE we can do this for our President Jennifer, our state, for all those that have worked so hard towards getting these dues in. But most people we do this for is our VETERANS. Do this For THE VETERANS. It is a great feeling knowing your Auxiliary is 100%. I want to give out all the membership pins at Spring Conference.

When we get that 100% we will have a celebration at convention.

I am not getting very many dues notices like I got before Fall conference if you are not 100% keep sending them or call them and find out what is going on, we do not want to lose the 1089 members.
