

Mentoring for Leadership Guide Sheet

August 2020

Hello Indiana!

August is a HUGE month for Mentoring. We have our annual School of Instruction where we can mentor and be mentored in so many areas of operations for our Auxiliaries. Leadership roles, Officer Positions, and of course, Programs! 😊 Please plan on attending our School of Instruction on August 14 and 15.

Included in this mailing is the report form for this program for the 2020-2021 year. Please note, the report form is due on October 1 and April 1. To reach 100% reported, I am requesting that each Auxiliary send in a GREAT report. Tell me how you're mentoring new officers and members, tell me how you're filling out report forms, and tell me how you're teaching people how to work with our Veterans. Let's share ideas and create a strong bond in Indiana!

Please feel free to go to our website at [www.vfwauxin.org](http://www.vfwauxin.org). Click on "Programs" at the top, and then scroll down to Mentoring for Leadership. Many of the tools needed for Mentoring are on our website. Feel free to explore it!

Don't forget...REPORT, REPORT, REPORT!

Loyally,
