It is required by National and State that Post Auxiliaries submit report forms to the Program Chairs. Please send your Americanism Report (found on our state website) to me at the address above. These forms, included in a ring binder, were distributed at School of Instruction. These are due ASAP!

AMERICANISM will have a table at the October Conference where a competition will be held for a monetary award. Please have your post decorate a lampshade in a patriotic décor using at least one poppy. **HELP TO SHINE THE LIGHT OF PEACE ACROSS OUR NATION.**

Be ready to vote for your favorite patriotic lampshade.

Helen
