LEGISLATIVE GUIDE SHEET

SEPTEMBER 2020

Reports Due By:
October 1, 2020

Get Out the Vote

This is an election year and there will be several contested seats: 435 seats in the U.S. House of Representatives, 34 out of the 100 seats in the U.S. Senate, plus the office of the President. We need to do our due diligence and study the issues affecting veterans and their families.

We need to:

- Vote for candidates and reelect legislators who will support our veterans and their families.
- Encourage others to exercise their right to vote and to vote for candidates and reelect legislators who will support our veterans and their families.

Join me as we band together and navigate the legislative waters to fight and protect benefits that improve the lives of our veterans and their families. We will continue the legacy of being the voice of our veterans and advocating for our service members and their families. Each of us is but one individual, but working together united in purpose, we become a powerful force who can overcome obstacles and achieve success by electing legislators who will honor and keep promises that were made to our veterans. We will rise to the challenge. We will make it happen and we will make a difference!
