

Greetings All,

Working with our Youth is a very difficult task for most but for some it seemed second nature , Thanks to all for your participation in what seemed like a never ending less than normal year. Remember to always educate our youth on why we live in the land of the free ,teach them respect and kindness always. I hope you all have a better year up and coming, I am pleased to say considering all , we had 3 Auxiliaries that were 100% reported and even though that seems like a small amount it really was not ,I am taking personal responsibility for that because I really did not do a very good job at all this however y'all did so rewards are as follows and they will be mailed to your district President first thing in the morning .God Bless and thank you all keep up the wonderful work. Sincerely Wilma Lee
