Dear Jessie,

Incoming National President Lois Callahan has finalized her tentative itinerary of official visits to the Departments for 2025-2026.

She has invested much time and energy into making her decisions and has tried to accommodate as many requests as possible. Lois promises to make her visit as memorable an occasion for you and your members as it will be for her.

Lois' visit to your Department is scheduled for:

	Date	Airport City
Arrival	Oct. 12, 2025	Fort Wayne, IN
Departure	Oct. 14, 2025	Fort Wayne, IN

If the arrival and/or the departure city should differ in any way than what is listed above, please notify us at once so that we can change the National Sr. Vice President's tentative itinerary. Her actual flight schedule will be emailed to you when finalized—approximately 6-8 weeks prior to her visit so you need to make plans well in advance, but don't confirm dates and times, etc. until you get her flight itinerary.

If there is some reason you **cannot** have National Sr. Vice Lois make her official visit on the dates she has assigned your Department, please notify this office **in writing immediately**—within seven (7) days of this letter.

Kindly send an acknowledgement of your receipt of this information to ajones@vfwauxiliary.org.

Loyally,

Ann Panteleakos
National Secretary-Treasurer
